Flag Retirement Ceremony held at Augusta Boat Dock

The Mains-Quinlin Augusta VFW Post 9535 and the Augusta Volunteer Fire Department held a flag retirement ceremony at the Augusta Boat Dock during the Firemen's Fourth Festivities on Friday night, July 6th. Speakers for the evening were Tony Jarrell, Tina Teegarden, and Eddie Groves. Steve Welte cut pieces from an American flag as Eddie Groves read the significance of each stripe and the field of blue before the piece was placed onto an open fire to be burned according to flag etiquette. After finishing, attendees were asked to come forward and place a flag on the fire in memory or honor of a loved one. The ceremony ended with a 21 gun salute and the playing of taps.

Johnson named BCHS Principal

Bracken County Superintendent Jeff Aulick is pleased to announce that Jamey Johnson has been chosen by the site base committee as the new Bracken County High School Principal. Jamey has worked in Robertson County for the past thirteen years, first as the Middle School Science Teacher and most recently as the Principal. He graduated from Bracken County High School, attended Eastern Kentucky University and received his Masters from Morehead State University. His wife, Tabitha, serves as Bracken's Occupational Therapist, and they have three daughters that attend Bracken County Schools. Aulick stated "We are elated that Jamey has chosen to return to Bracken County!"

Hunt new Augusta/Bracken County Tourism Director

On June 13, 2018, Janet Hunt became the New Augusta/Bracken County Tourism Director. She is married to Gale Hunt. On September 30th, they will be married for 29 years. They have two sons, Shane and wife Barbara (Tabb), of Brooksville, and Caleb and wife Haley (Stewart) of Columbus, OH. She and Gale are members of Crosspoint Community Church, Maysville KY. Janet says she applied for the tourism job to help make a difference in Augusta/Bracken County. One of her goals is to work with businesses to help them advertise and market their business, to bring visitors into this area. She knows there is a lot of history and places to be seen here in the county and to be shared with visitors. Janet has been very busy since day one with the upcoming events of the Augusta Riverfest Regatta this Friday evening and Saturday, the docking of the American Queen on Friday, July 20th at the riverwalk, and the MeetNKY Bourbon Trail B-Line. Janet looks forward to working with everyone, and feels very deeply that she can make a great commitment to improve things as Tourism Director. Her office is located at the Augusta City Office. She can be reached at 606-756-2183 or by email jhunt@augustaky.com.

Bracken County FFA Officers attend Leadership Training

Students are shown above posing for a picture at one of the oldest and largest oak trees in Kentucky. The Bracken County FFA attend the Kentucky FFA Leadership Training Center the week of June 25-29th. While attending, students worked together to create goals for their chapter, compete on recreation teams with other FFA members from across the state, learn about their specific offices, and take part in multiple special interest classes. The highlight of the week was working together as a team to become Chapter Waterball Champions beating multiple other chapters. Sentinel, Kennedy Carl said, "The best part of camp was working together through the low ropes course. We found friendship and skills we didn't know were there." The 6 students are part of a 13 person officer team and a 68 member chapter. Tyler Rice was awarded a camp Leadership award by showing superior leadership abilities in all his classes and team athletics.

Moneyhon presented token of appreciation for service

Patty Ann Moorhead, out-going vice president, spoke briefly about Louise Moneyhon at the Homemaker Annual Meeting on Thursday, June 28th. She commended her for all the hard and inspiring work she has done for the past 2 years as president. The two ladies have travelled to many meetings together over the years and Patty Ann, left, presented Louise, right, with a new piece of luggage from the homemakers and encouraged her not to stop but continue going forward with her travels.

In Loving Memory of DOUG CHIPMAN

On the behalf of Doug's family and friends, we wish to express our deepest gratitude to all who opened your hearts, donated your time, your money, and your love for Doug. Not one kind gesture will go unnoticed because all who loves Doug will always remember just how kind and giving he was to us all. "He's our oldest and our best friend. If you need him, he'll be there again."--B. Seger.

Old Reliable Germantown Fair, July 30th - August 4th

Can't believe in a few short weeks the Old Reliable will be in full swing. Every year brings changes; this year is no exception. Let's begin with some of the most significant ones. Tuesday night will be Family Fun Night. There will be games and competitions in the center ring for all ages, from Quarters in the Straw for the youngest fair goes to the Hot Dog Eating Contest (no buns this time) for the adults. There will be prizes for all age groups for all events. Miss Teen, the Cake and Pie Auction, and Garden Tractor Pull will be going on as well with the Floral Hall to open for viewing the exhibits. Oh, but there is more news about Tuesday evening. Thanks to the generosity of some amazing businesses and an organization, Tuesday night will be HALF PRICE GATE ADMISSION NIGHT! That's right, admission will be \$5.00 per person. We could not have made this possible without: Ranger Industrial Service & Fabrication, Maysville Simon Kenton VFW, Citizens Deposit Banks, D & A Wholesale, Rural King, Mitsubishi Electric and Lowe's.

Remember when the Tractor Driving Contest gave someone bragging rights for the year. Well, you better start practicing. The Tom Stephen-

son Memorial Tractor Driving Contest will be held in the center ring on Thursday, August 2nd for Senior Youth (ages 14 & under 19 as of Jan. 1st) and for Adults (19 & up). We have invited Ag. Commissioner Ryan Quarles to come witness your great skills. For more information on this event, contact David Appelman at the Bracken County Extension Office or Jamie Bell. Let's see how well you can maneuver a wagon and a manure spreader with a two-wheel drive tractor. Who will earn the BRAGGING rights?

If technology is working as it should, gate admission can be paid by using your debt or credit card. To be safe, you might want to bring along cash just in case there is a malfunction. We have all the best intentions in the world but.....

The fair website (www.germantownfair.com) is up-to-date. Catalogs will be distributed this week. They can be picked up at the extension offices in Bracken, Mason or Robertson county, Bradford's, Miller Lumber and at the Regatta in Augusta, 1st Stop in Germantown, Dean's Pharmacy and Miller Home Center in Brooksville. For other locations, check the website.

Hope to see you at the 164th Old Reliable Germantown Fair!

Brooksville Baptist seeking fan donations

Brooksville Baptist Church is asking for fans, or money donations to buy fans, to help people during this extremely hot weather.

For safety purposes box fans are preferred, and to avoid any liability problems, they must be new fans. Box fans usually cost \$20-\$25.

Please help! You can drop off fans at the church by calling 859-620-3065 and someone will meet you at the church. If you would like to make a money donation, mail a check to Brooksville Baptist Church, P.O. Box 126, Brooksville, KY 41004. Your help will be greatly appreciated.

This Sunday, Pastor Keeton continued his message from Exodus 15:22-27, “The Right Way to Live in Our Day – The Right Attitude”. A person with a positive attitude brings happiness to others, and can endure hard times better than a grumpy person. We must keep our focus on Jesus, make a decision to be positive, not let disappointments make us bitter, and never give up.

Those who are searching for a family-centered church that glorifies God are invited to visit. Sunday School for all ages begins at 10:00, followed by morning service at 11:00.

Willow Baptist Church’s 200th anniversary is July 29. Sunday School will be suspended for that day. The morning service will begin at 11:00, followed by a luncheon at 12:30, and an afternoon service will begin at 2:30. All our cooks are thumbing through their cookbooks to find their best recipes to make for that day. Everyone is invited to come celebrate with us!

PRESBYTERIAN POTPOURRI
by Les Grooms, pastor Augusta Presbyterian

We started off today with a meeting of our Administrative board. The purpose of this organization is taking care of the business of the church. Minutes were read, the finances of the church were discussed, and a resume of what has happened in the life of the church during the past month was evaluated. The meeting was opened by prayer from the pastor and closed by prayer by Elder David England.

Lynn Darnell was the liturgist and Susie Hargett led the singing, and Shirley Gallenstein sang a beautiful special song.

My sermon was about perseverance. Winners never quit and quitters never win.

Food Bank is open each Tuesday at 1 p.m. We are fortunate to get a lot of good foods from the Freestore Food Bank in Wilder. We try to serve northern Bracken County. Residents of Brooksville have a Food Bank at the Baptist Church. Residents of Mason County have a Food Bank in Maysville. We have food to give away and we are generous in our giving.

Willow Baptist Church

Looking Back: The First Women’s Missionary Society - 1925

“If you vote for this organization,” said one Kentucky gentleman of the Southern Baptist Women’s Missionary Union, “**God only knows what the women will do. Nobody on the face of this earth will be able to manage them, and we will be in danger of them wrecking our whole business (the church).**” This Kentuckian was right. No one could have imagined the impact of the WMU on any Baptist Church, including Willow Baptist Church!

The first society was organized in 1905, through the Union Association of Baptists and held in the public school near the church. The successful reorganization of the Willow WMU was held on April 8, 1925, with 25 ladies present as charter members. Officers were: Cora Hedgecock, president; Linna Clark, vice president; Birdie Hedgecock, secretary; Grace Bradford, treasurer; and Dessie Perkins, missions leader. One of the first missions projects was to order cans from the Orphan’s Home and to fill them with fruit and return to the Home. The society flourished and missions-especially the Lottie Moon Foreign Missions, were an essential part of their giving, with their first offering being \$9.50. The group continued actively for many years, but the effects of age and lack of energy played a role in the final days of Willow’s first WMU organization. The last Baptist women’s meeting of the Rose Marlow Society (renamed in 1964) was held July 20, 1983, at the home of Hattie McKinney with seven members present. Mrs. Hannah “Dolly” Cummins, born in

1872, was an integral part of the Women’s Missionary Society at Willow. Hannah Cummins, was one of ten children, was born in Willow to Joseph and Lucindy Johnson King.

She attended elementary school at Neave and finished her high school education by correspondence. She was baptized at age 17, and married at age 19 to George Cummins, and they were the parents of one son Guernsey Cummins. After her husband’s sudden death in 1893, she went back to school and began teaching—in Pendleton County, Hall School on Neave-Milford Road, Lea School at Stonewall, Willow Grove and Willow. Mrs. Cummins became Willow’s first superintendent of summer Sunday School - which was most unusual for a woman to hold this position in the Baptist Church. She held the position of president of the WMU for many years. She attended Georgetown College, along with her son Guernsey and took a two-year home economics course, later doing practical nursing.

On Mother’s Day in 1921, while walking across the road from her home to Sunday School, she was injured by an automobile, and the accident left her a cripple for life. Miss Dolly was quite independent and a little

headstrong as was told in the story that when the church installed modern pews, she refused to sit in them and each Sunday sat in her own little chair which was placed at the end of the pew. That chair is still a part of the Willow Baptist Church.

Until her death in 1965, Hannah Cummins served her church in many ways - Sunday School teacher, superintendent, church moderator, president of WMU, and even janitor for five years. Her grandchildren were Guernsey T. Cummins, Jr., Jean Ware, and Marjorie Peacock, all deceased. Her great-grandchildren currently living in this area are Barbara Ware, Brooksville, Tommy Ware, Cynthiana, Sally Cummins Kalb, Brooksville and Candy Cummins, Northern KY.

Our present church is built on the site where her home once stood. Miss Dolly was widely respected, and she played an important role in the formation of a future WMU, lovingly called the Hannah Cummins Chapter, which will be featured in next week’s article.

This is the Fourth in a series of articles that will look back on the history of the Willow Baptist Church.

GREETINGS FROM ST. JAMES
by Caroline Jefferson

Parishioners are busy preparing for the Annual Ice Cream Social the weekend of July 21 & 22 and everyone is cordially invited to stop by St. James Parish grounds on one or both days to enjoy the good food, friends and atmosphere of our small parish! Saturday evening Pulled Pork and Fried Fish Dinners will be served from 5-7 PM in the Parish Hall. J & J’s (Jeff Jones & Jason Snapp) home cooked and “secretly” seasoned barbeque can’t be beat and the Men’s Group famous hand-breaded Fried Fish rivals any sea food restaurant!

Beginning at noon on Sunday you can enjoy lunch “in-house or take-out” from the Food Booth located in the Parish Garage and then stroll on up to the Parish Hall for free homemade cakes, pies and ice cream to satisfy any sweet tooth! Also in the Parish Hall you can browse the Silent Auction items and place your bid with winners being announced beginning at 5:45 PM. Elsewhere on the grounds you can play Bingo, shop the Country Store or let the kiddos enjoy themselves in Kiddie Land! Looking forward to seeing you there!

This Sunday was hot & sunny as we met in the Lord’s House. Scott Phillips led our Sunday School lesson. We are still learning about the miracles of Christ. You must have faith in Christ.

Opening prayer was by Jerry Zeigler. Closing prayer was by Scott Phillips. Our special was by Kim Futz. She sang “You Are Always A Child In His Eyes”.

Today’s message, by Bruce Heller, was “Why Do You Worry?”. Do not worry about your life. Have enough faith in Jesus that He will provide your needs. Your Heavenly Father knows your needs. Put God first in your life and you won’t have to worry!

Julie & Owen Shackelford had a wedding anniversary.

Jerry Author had surgery this week. Pray for our men & women in the service, the sick & hurting. Pray for Mike Rumford who is still in rehab.

Please come to Wed. Night Refresh at 7 p.m. Bring your Bible & a friend!

NEW LIFE FELLOWSHIP
by Beverly Whittaker

We were blessed this morning, July 8th, to have Russell Groves give his testimony. On February 6th, Russell was involved in a car crash that took the lives of 5 people including his wife, Sharon. He was told numerous times that he may not survive, but God had a better plan. After months of rehabilitation, he is able to be home and wants to spread the message of God’s love to us. Praise God for all He has done!

It was also good to have David Tucker with us this morning.

Our thoughts and prayers go to Wyatt Thorpe in the death of his father. May the Lord give you strength and healing in the days ahead.

We invite you to our Celebrate Recovery meetings here at the church at 6 p.m. on Wednesday evenings. Light refreshments and childcare are provided. This is a support group not only for those battling drugs and alcohol, but also battling other issues as well. There is always hope. You are not alone.

If you are searching for a place to “belong” or do not know the way, we invite you to our services at New Life. Our Sunday School classes for all ages begin at 9:30 a.m. and praise and worship is at 10:30.

Senior Citizens Happenings

Welcome to Senior Citizens Happenings. All seniors are welcome to join us and have a great time.

Tues., July 3 - we had our pledge to The American Flag and sang "My Country Tis Of Thee". We were so glad to have a large group of friends here today. Tables were full for a delicious meal.

Today was "National Chocolate Wafer Day". Sheila passed out wafers.

Sheila updated us on the sick. We were glad to hear that Delores Perkins is home! Brenda Roth recently had a fall and was taken to the ER for evaluation. Nothing was broken but she does have bruising & soreness. Keep Tommy and Tracey Wenz in prayer.

We were glad to have Mr. Glenn Littleton and his daughter Audrey Brennan with us. We have missed you so much.

We were also glad to have Dorothy Perkins and her daughter Anna Katherine Allender with us. Always great to see our friends.

We were sorry to hear of Patty Bess's sister and Sheila's aunt passing... Flossie Hay. She was well loved by all her family.

We did some Patriotic songs before our meal and David Jefferson led us in prayer.

Helping serve our meal was Caden Cantu of Dallas, TX. He is 14 and his sister Bella is 8. They are the grandchildren of Reed & Shirley Bailey.

We were given "Senior Health and Wellness Newsletter" on nutrition. Eating healthy is about making small changes to your diet to increase food that has higher levels of nutrients.

Plein Air Workshop in Augusta, July 20 & 21

The Augusta Art Guild is very pleased to welcome back, Marlene Steele. Marlene is a gifted portrait, figure and landscape artist in Cincinnati. She has won recognition for artwork in all media including oil, pastel, watercolor and charcoal.

The workshop will start at the Augusta Art Guild at 9:30 and then will move outside after some instruction and end at 3 pm. The timing of this workshop will coincide with the arrival of the American Queen on Friday, July 20th.

This workshop will introduce several ways to freshen your approach to your subject matter. She will demonstrate how to troubleshoot your composition in pastel quick sketches. These sketches will help you anticipate and solve critical design problem before going to the larger canvas commitment.

The students are encouraged to paint in the media they prefer. The cost will be \$20 for members and \$25 for non-members. Some supplies will be included. The remainder of the cost will be covered by a grant from the Hayswood Foundation.

The class will be limited to 10 people so sign up soon. Contact Marilyn Lustik by email, lustiks@gmail.com or phone 606-756-2958.

Trash Talk

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

Howdy Folks! Have you ever considered what kind of world your one-year old child, grandchild, niece, nephew or any baby born today will face? The technology revolution has already dramatically changed nearly every life on this planet – sometimes for the betterment of society but oft times, it has created a whole new set of problems and complications! And have you considered the quality and quantity of life that these precious little ones will experience? Some things are out of our control but there are some very positive steps each can take to insure the availability of natural resources for generations to come!

Every one of us has the capacity to become good stewards of the earth and today would be an excellent day to take the first step toward that goal! How many of you recycle on a daily basis? If you are a weekly reader of this article, we know the answer to that and we appreciate your dedication! If you are reading this article for the first time, we hope these words will help you become a recycler and that your example will create a domino effect rippling through your family and friends!

Some items tossed daily in the trash that could be recycled include glass bottles and jars and in a month's time enough of these are thrown out by U.S. citizens to fill up a giant skyscraper! Energy saved from recycling just one glass bottle can run a 100-watt bulb for four hours or a compact fluorescent bulb for 20 hours. Recycling just one glass jar or bottle causes 20% less air pollution and 50% less water pollution than when a new bottle is made from raw materials. A modern glass bottle will take 4,000 years or more to decompose and even longer in the landfill!

To produce each week's Sunday newspapers, 500,000 trees must be cut down. Recycling a single run of the New York Times would save 75,000 trees and if all our newspaper was recycled, we could save about 250,000,000 trees per year! Another item used daily that could and should be recycled by everyone is the plastic bottle! Americans use 2,500,000 plastic bottles every hour! Read that again! Every single hour we Americans use 2,500,000 plastic bottles and most of them are thrown away!

Recycling even the basic material is far superior to sending items to a landfill! U.S. citizens represent 5% of the world's population but produce 40% of the world's waste making it the #1 waste-producing country in the world! Let's have an attitude adjustment toward disposal by RECYCLING, REUSING and REDUCING to keep God's earth clean, green and beautiful! Be seen' you – *Bin & Bug*.

Thoughts and Meditations from the Scriptures

SUBMISSION

Submission is a spiritual discipline that is quite out of tune with the modern ethos. Submission requires us to be obedient and has a strong note of self-denial. Our age is more likely to celebrate self-fulfillment and self-actualization than self-denial. Submission also has some rather negative connotations due to its association with the correlative term "domination." For one to be submissive usually requires giving in to someone or something that is dominating. While that may be true in wrestling or martial arts, in the spiritual realm submission involves more of a "giving over" than a "giving up" or "giving in." In spiritual submission we are giving our lives over to a higher power and trusting that God will take care of us. But it must be admitted that there is clearly a directive to deny oneself in Jesus' call to follow him: "Whoever wants to be my disciple must deny themselves and take up their cross and follow me." (Mark 8:34 NIV) And in the very next verse, Jesus reveals the central paradox of self-denial and submitting yourself to God: "For whoever wants to save their life will lose it, but whoever loses their life for me and for the gospel will save it." (Mark 8:35 NIV) In the end, self-fulfillment only comes through self-denial. Those who seek only their own interests end up empty and miserable, while those who serve the interests of others, and ultimately, serve God, find that their lives are thereby fulfilled. – *Christopher Simon*

"Remind the people to be subject to rulers and authorities, to be obedient, to be ready to do whatever is good, to slander no one, to be peaceable and considerate, and always to be gentle toward everyone." – Titus 3:1-2 NIV

Plummer attends Nashville Flight Training Camp

Brandon Plummer, 16 year old son of Richard and Beverly Whittaker of Lenoxburg, was one of 22 youth selected to attend the Nashville Flight Training Camp held June 25-29 at the Nashville International Airport. This was a summer camp for youth ages 13-18 where students learn through hands-on participation about Disciplines of Aviation through science, technology, mathematics, engineering, map reading, and through simulation. While in Nashville, the family enjoyed visiting the Grand Old Opry Hotel, attending the Opry, American Pickers Museum, and Country Music Hall of Fame. Brandon will be a senior at Bracken County High School and plans to attend Somerset Technical College and majoring in Aviation Maintenance Technology in the Fall of 2019.

BC Sheriff's Office warns of scam, person claiming to be from AT&T

A Bracken County resident reports of a scammer claiming to be a representative from AT&T.

The scammer will tell potential victims that there is an error with their AT&T account and to fix it, they need a social security number.

According to AT&T's website, they will never call, text, or email you for personal information.

Another Bracken County resident received a letter in the mail from Canada. It was neatly typed, but had no return address. According to the letter, an unknown relative had died in Canada in 2008. It stated, "Unfortunately, this customer died intestate leaving his bank account with an open beneficiary status." "I would like to present you to our bank as his next of kin to claims the dormant account worth \$9.2 million."

Here are the danger signals:

- No return address. Just a personal email is provided.

- No banking identification. If someone was trying to track you down for an inheritance it would be through certified mail and most likely through a law firm.

- The name used in the letter.

- Request for more information. The letter closes with "I will discuss more details...this is an opportunity of a lifetime."

Here are some tips to avoid being a victim of a scam:

- If you feel you are being scammed or something doesn't feel right when someone contacts you by phone, mail or e-mail, it probably is a scam.

- Hang up, and directly contact the agency that supposedly contacted you

- Or go by the agency headquarters to discuss the matter

- Never pay anything over the phone...unless you initiated the phone call and you are confident in the transaction and business with whom you are dealing

- Remember, like with other types of scams (someone calling to say you've won the sweepstakes or a new car...and all you have to do is pay a small processing fee)

- If it sounds too good to be true, it probably is.

Echo Hall toured before second renovation phase begins

Echo Hall in Augusta was opened to the public for the first time last Thursday, July 5, 2018. Since purchasing the building in October 2017 from Kentucky Trust, board members and local contractors have been working carefully to remove the inside wall paneling and patch the roof until a new one can be installed.

The first floor was gutted to the studs, support beams, and windows, and this first part of the renovation revealed unique hand-hewn beams, wooden peg connectors, and historic window trim.

Over 50 interested persons toured Echo Hall over an hour before its doors were closed again so the next step in renovation can take place.

The officers appreciate everyone for their interest, and also for their support in making the second Annual Antique Auction held last Saturday night, July 7th, at the Augusta Irish Pub an outstanding success. Nearly 40 persons donated items and over 50 placed bids on items. One hundred percent of the amount raised is targeted for replacing the roof.

Follow the renovation process on FACEBOOK and on the website.

Livestock Shows Are Coming to the Germantown Fairground

Any child with a livestock project has been busy feeding, fitting and showing their animals at district shows and local fairs. The Germantown Fairground will be the site for three shows in the next three weeks. On Saturday, July 14th, there will be a district lamb show on the grounds. Weigh-in is from 9 to 10:30 a.m. with showmanship to follow. Lunch will be served.

On Saturday, July 28th, the Germantown District Swine Show will be squealing onto the grounds. Weigh-in will begin at 8:30 a.m. and is scheduled to be complete by 10:00 a.m. with showmanship to begin at 10:30 a.m. Come out, watch the show and have lunch with us. There is no cost to attend either of the district shows.

Next is one of the largest livestock shows in the state. The three-day event during the Germantown Fair will begin on Wednesday, August 1st with weigh-in of all species: swine, goats, lambs, feeders and steers. Showmanship will begin that afternoon at 5:00 p.m. Thursday, August 2nd all animals will show in weight classes beginning with swine followed by goats, lambs, steer and feeders. Friday, August 3rd at 9:00 a.m. is Novice Livestock Showmanship. What fun it is to watch the eyes of the little showmen. The premium auction will take place on Friday evening beginning at 7:00 p.m.

All information about the District Swine Show and the Mason County L.I.A. Youth Livestock Shows can be found on the fair website (www.germantownfair.com) or you may want to pick up a catalog at the county extension office.

2018 Bracken County Showmanship Contest held

On Sunday, July 1st, at the Bracken County Extension Office, the 17th Annual Bracken County Showmanship Contest was held. There were 40 youth livestock participants who exhibited their cattle, sheep, goat, and swine projects.

The winners for this year contest was Tad Fisher, Grand Champion and Noah Emery, Reserve Champion. Tad is the son of Daniel and Vicki Fisher. Noah is the son of Doc Emery and Michelle Emery.

Everyone is appreciated who came out and supported the youth. Sponsors of this year's event were:

City of Brooksville Public Awareness

Natural Gas Pipeline Safety and You

The City of Brooksville operates a natural gas distribution system in Brooksville and Bracken County. This system consists of cathodically protected steel pipe, polyethylene pipe, and readily identified above ground facilities.

As a customer or someone who lives or works near our pipelines and facilities your safety is our number one priority. To ensure this, the City has programs to monitor the natural gas distribution system including but not limited to regularly scheduled compliance inspections, leakage surveys, and corrosion control.

Pipeline Identification

To identify locations of underground piping and facilities in rural areas, pipeline markers are used. These markers are typically located at road and railroad crossings as well as along the pipeline right of ways.

The markers display:

- The material transported in the line
- The name of the pipeline operator
- A 24-hour emergency telephone number
- Does not show exact location of the line
- Does not indicate depth
- Does not indicate pipeline pressure

Call Before You Dig

Statistics indicate that damage from exca-

vation related activities is the leading cause of pipeline incidents. If you are planning to excavate for any reason, follow these guidelines.

1. Call the Kentucky 811 protection service at 811 at least two but not more than 10 working days before digging - it's the law!

2. If after two (2) business days there are no markings, call the gas department to confirm that there are no natural gas lines in the vicinity of planned excavation at (606) 735-2501.

Protecting Your Gas Meter

Natural gas meters are located above ground. Because of this, meter piping is susceptible to dangers that buried piping may not be. Listed below are suggestions to better protect your meter loop.

1. Keep any above ground piping painted.
2. Avoid planting landscape close to your coating on underground pipe. It can also restrict personnel from reading the meter and performing routine maintenance.
3. Avoid putting stress on your meter loops or attaching any metallic material to your meter loop because this can cause interference with cathodic protection.
4. Avoid placing the meter where it will be susceptible to third-party damage. Call the gas department concerning meter location, piping systems, and meter protection at (606) 735-

2501.

Other Concerns

If your meter has been replaced due to routine maintenance and gas service left off, or if you suspect any problem, please call (606) 735-2501 to have your service restored or to report your concerns.

Leak Recognition

Natural gas is colorless, odorless, and lighter than air. An odorant has been added giving it a very distinct smell so a leak can be readily detected. Other indicators of a possible natural gas leak include but are not limited to: **Smell** - Rotten egg or petroleum odor; **Listen** - a hissing or roaring sound caused by escaping gas; **Look** - Dead or discolored vegetation in an otherwise green area; Blowing dirt, grass, or leaves near the pipeline.

Leak Response

- Evacuate to an area upwind from the suspected leak immediately.
- Do not start motor vehicles or turn on electrical equipment including lights near the suspected leak.
- Do not light a match or create any other source of ignition.
- Warn others to stay away from the area.
- Call 911 to notify fire and police departments once you have reached a safe area.
- Call the City of Brooksville to report the possible leak at (606) 735-2501 or Bracken Co. Disptach (606) 735-2700.
